Ladies Coach & Manager, Dave Burt, said "We entered the competition this year with the sole idea of giving our ladies more cricket against some different teams. We, like many other teams, have been without a lot of senior players through the competition so this means a lot of our younger players have been given the chance to develop and progress, which is fantastic. We are delighted to have reached the finals and be able to represent Sussex cricket, and fully intend to go and enjoy the day, give it our best shot, and see what happens. A massive thank you must go to all our sponsors for their support".
